

PURE PLAITS

guest room | corridor | lobby | office | outdoor area

PURE PLAITS gives the eye some welcome change when it comes to rugs. This quality of stitched or interwoven braids has a very special look and also allows a wide range of individual designs through different braiding patterns or colour combinations. But apart from its richly textured appearance, PURE PLAITS can also convince in its function. Made of durable polypropylene yarn, PURE PLAITS embellishes guest rooms and lobbies as a fitted rug, but even cuts a fine figure outdoors, as the yarn is also weather-resistant.
