

# THE PAPER

guest room | corridor | lobby | office | outdoor area

THE PAPER is a very special carpet quality that creates great astonishment. That is because the material from which this quality is made of, is actually and truly paper! The woven organic material made from renewable resources allows timeless designs in pleasantly restrained colors. Especially low-frequency areas like guest rooms will be embellished by this quality, where it will enhance the space as a fitted rug. THE PAPER is different from other carpets. And THE PAPER was designed for all those who rethink interior...
