

From Spec to Quote in 24 Hours.

Your design, or ours.

Proposed, quoted and built in the quality your project requires.

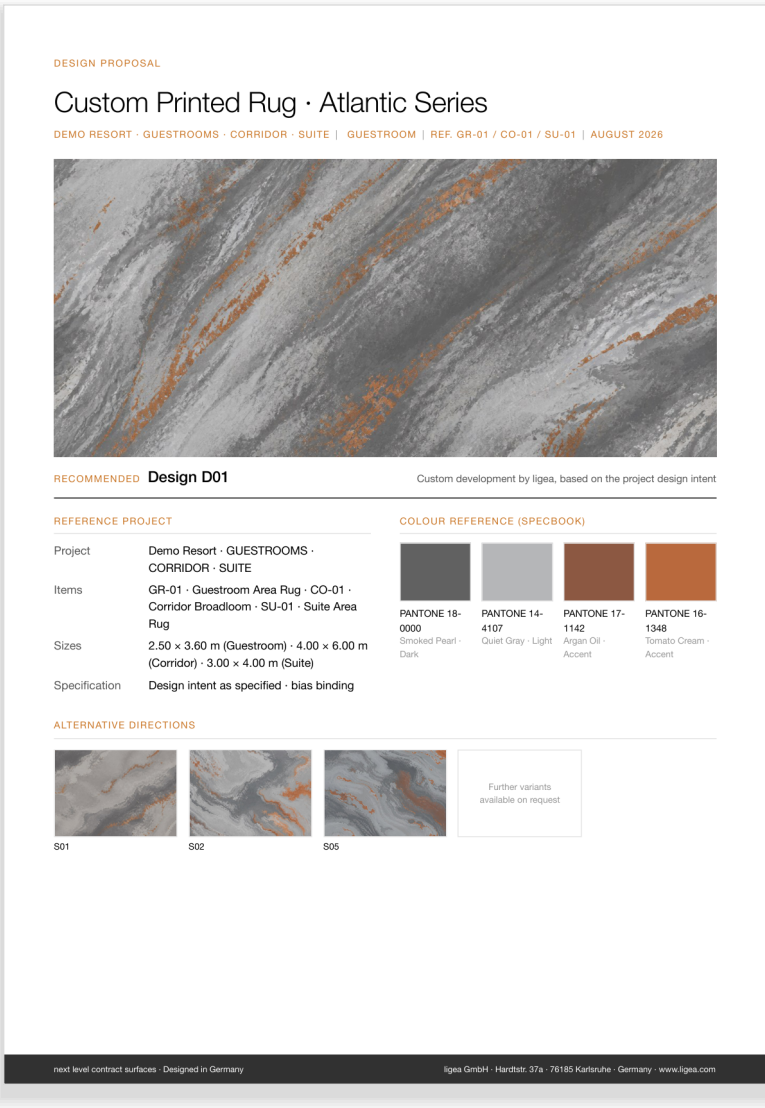

THE OFFER

Your specification in.
A design proposal and a quotation out.
Within 24 hours.

Your design, translated for production. Or, where the original is protected, an independent design in the same spirit.
Quoted in the constructions that meet budget, programme and fire class.

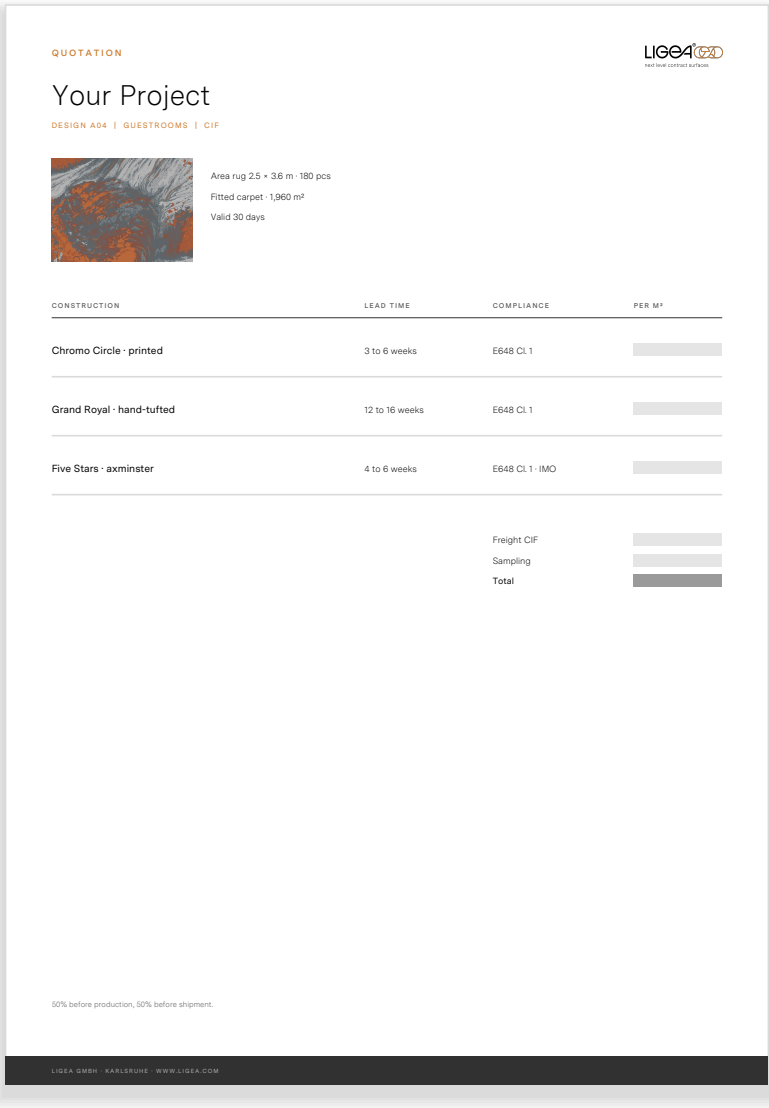

WITHIN 24 HOURS

Two documents on your desk.

Design proposal

One sheet. The recommended design, colour references from your specbook, alternative directions.

Quotation

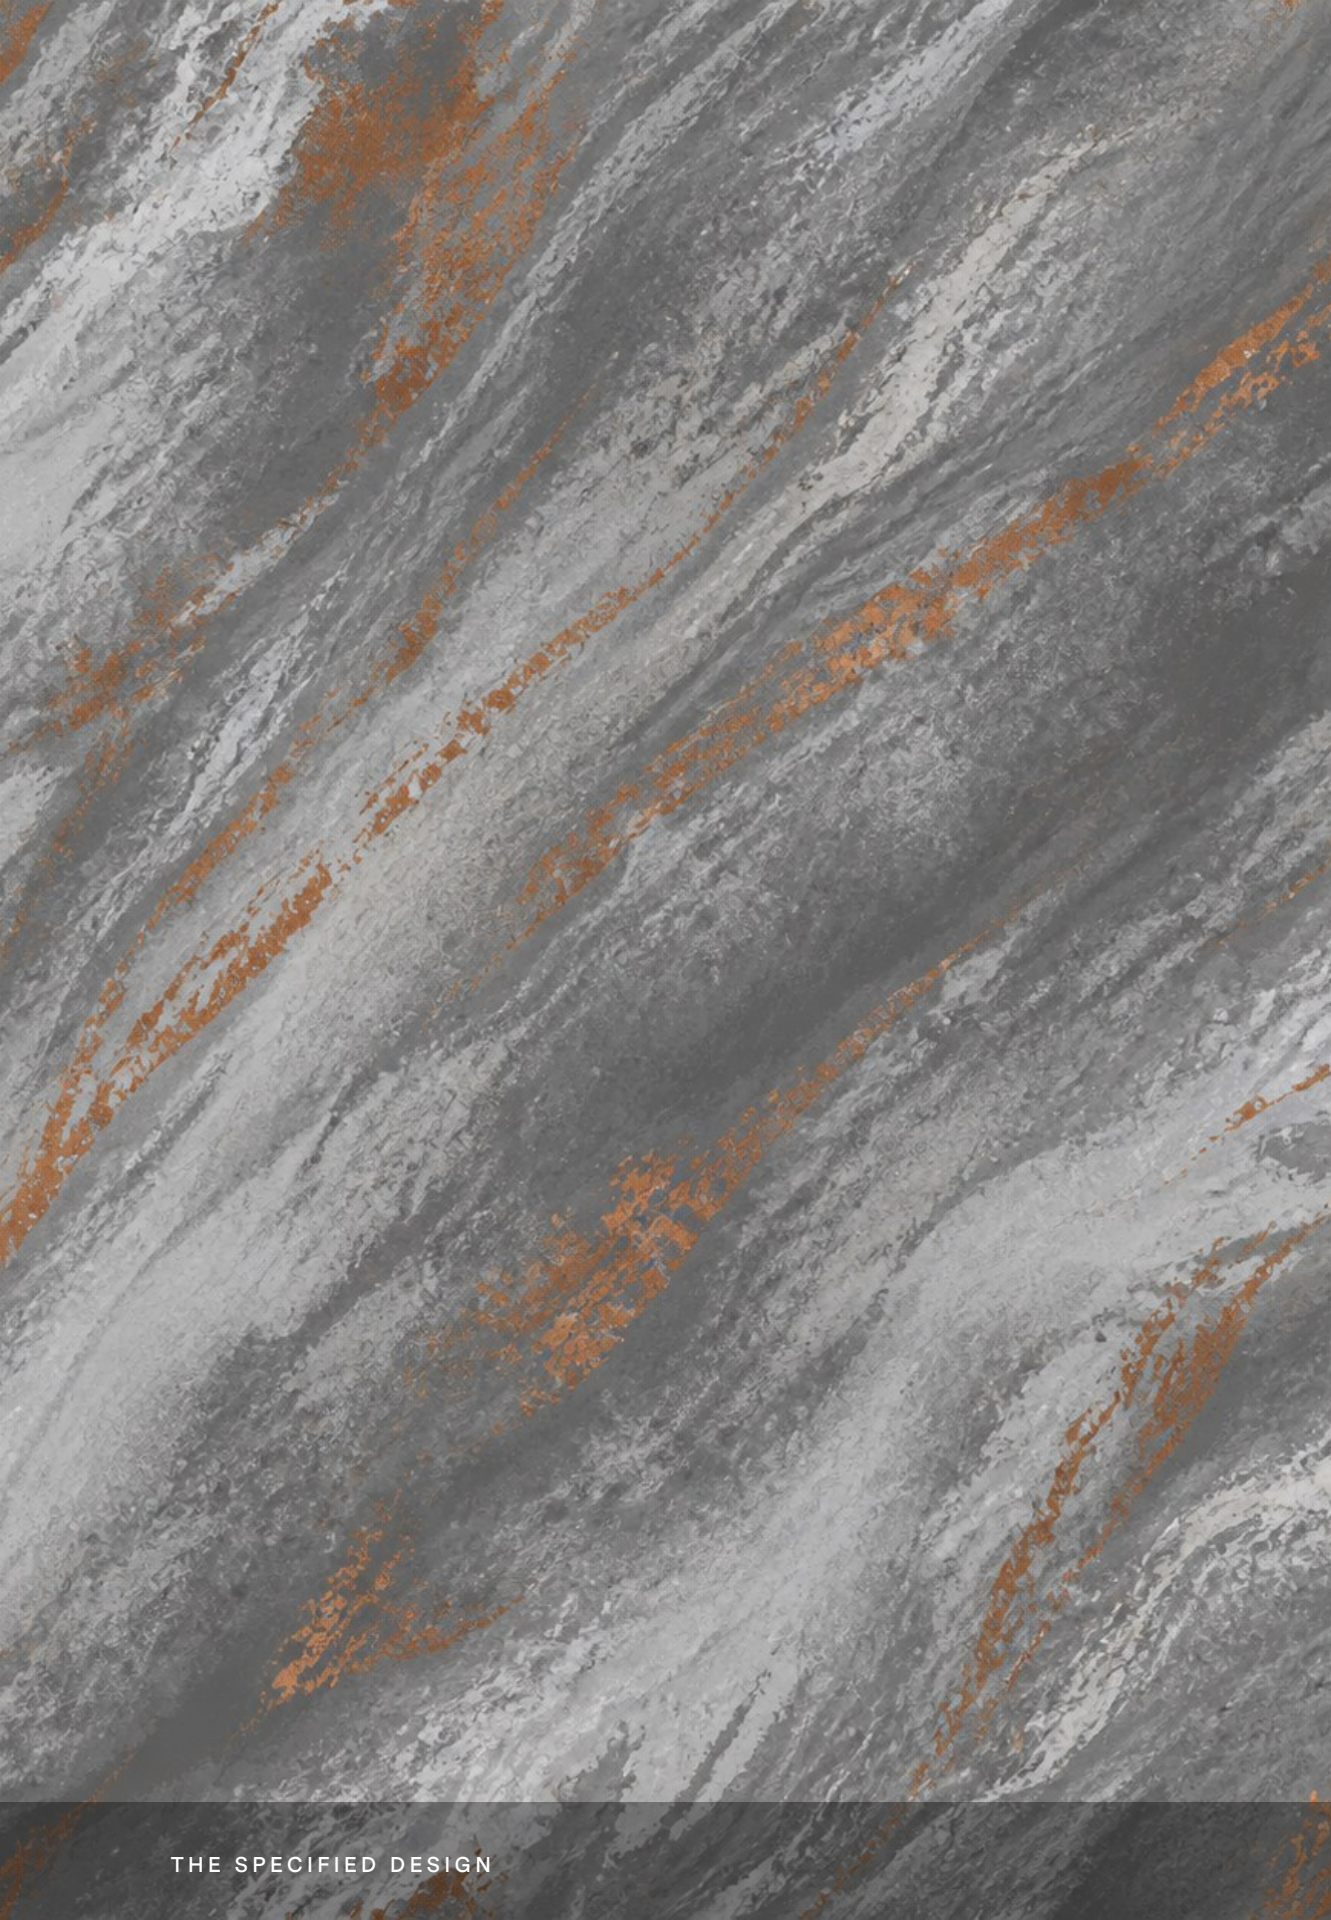

The design in the suitable constructions, each with price per m², lead time and compliance.

01 Specification, drawings or design intent

02 Overnight: design, colour, construction, pricing

03 Proposal and quotation, next morning

First proposal at no cost and without obligation.

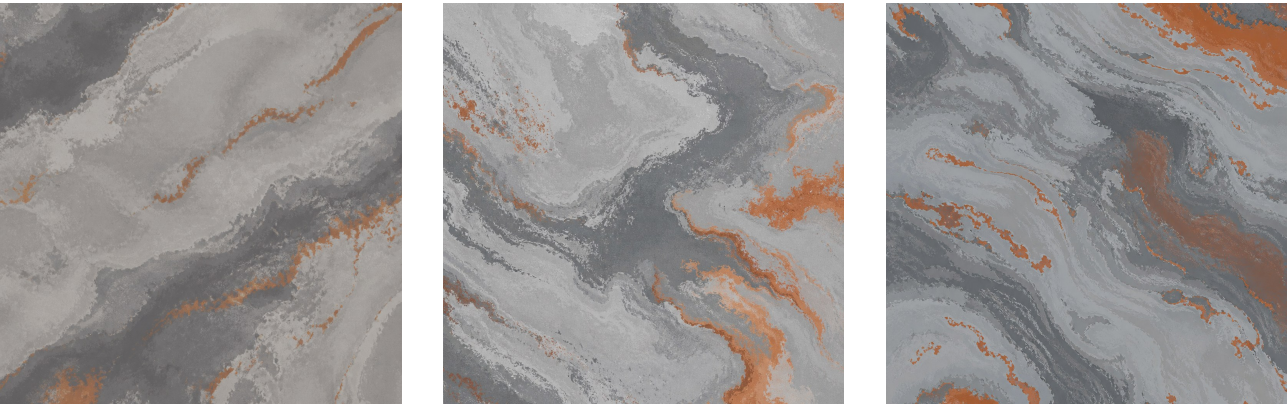

YOUR DESIGN, OR OURS

As specified.

If the design may be used, we build it as drawn. Where the construction fails on lead time, budget or certificate, the same drawing, in one that passes.

Independent.

If the design is protected, we do not reproduce it. We develop an independent design in the spirit of the scheme, documented for an approved-equal review.

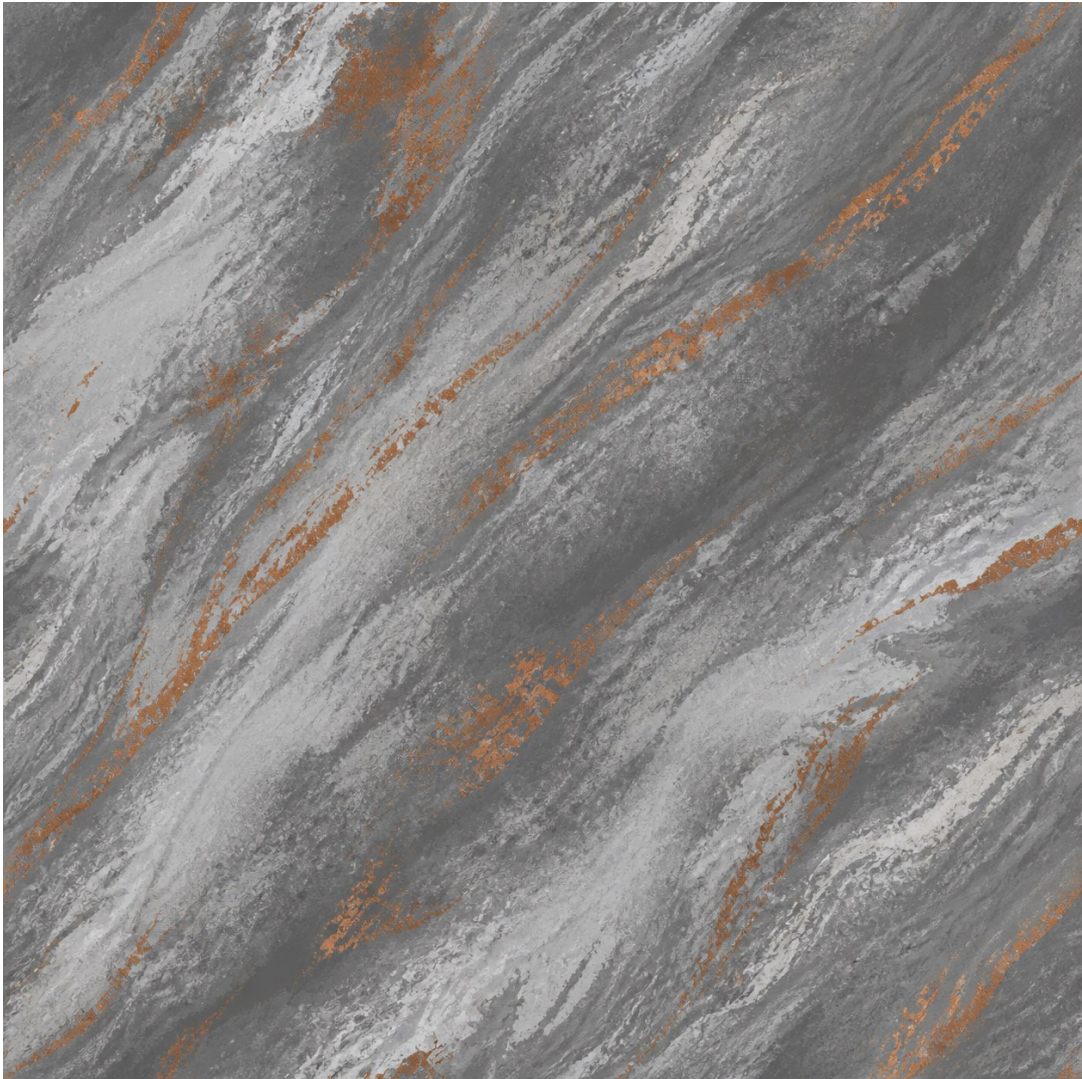

INDEPENDENT DESIGNS IN THE SAME HANDWRITING, DEVELOPED OVERNIGHT

ONE DESIGN, THREE CONSTRUCTIONS

The same drawing. Woven, hand-tufted, printed.

Three swatches, cut side by side from one section of the design.

ONE DESIGN, 100 X 100 CM REPEAT

PRINTED
