TWO DOCUMENTS ON YOUR DESK

A design proposal and a quotation, **within 24 hours.**

If the design is protected: an independent design in the same spirit, documented for an approved-equal review.

We need: specification or design intent, area schedule, fire class, opening date, budget band.

Design proposal

The recommended design, colour references from your specbook, alternative directions.

Quotation

Three constructions compared: price per m², lead time, compliance.
